EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Emmanuel Rivera (Reg. No. 45,760) on 7/14/2008.

The claims are to be amended as shown in the new set of claims attached to this office action.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The claims are allowable over the prior art for the reasons discussed in the Board Decision from 3/31/2008. An updated search of the previous Examiner's search strategy did not reveal any prior art that would anticipate or make obvious the applicant's claims. The current amendment overcomes the 35 USC 101 rejection and renders the 35 USC 112 2nd rejection moot. Both rejections had been created during the Board Decision from 3/31/2008.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DOUGLAS B. BLAIR whose telephone number is (571)272-3893. The examiner can normally be reached on 9:00am-5:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew Caldwell can be reached on (571) 272-3868. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
